

## FITTING INSTRUCTIONS

### 27H

Thank you for purchasing a set 27H bushes for your Mazda MX5 NA/NB. The following instructions will help you fitting these bushes correctly to ensure optimal performance.

The bag for 27H contains 2x 27H castings in our Dynamic grade (orange) and 2x 27H castings in our Comfort grade (blue). The two grades work together to provide the rear passive steering the MX5 has been blessed with.

Photo shows a different grade to Dynamic but the principle remains the same.

The Comfort grade must be fitted to the front outer housing of the

The Dynamic grade must be fitted to the front outer housing of the

If you have any questions regarding the fitment of these bushes, please give us a ring on 01978664316 or send us an e-mail on [sales@polybush.co.uk](mailto:sales@polybush.co.uk).
