

Field Sales Executive Commercial Sales of Technical Products

A Fantastic Opportunity for a Field Sales Executive with technical experience in an industrial background to work within the automotive sector selling to both Commercial and Retail outlets. If your track record proves you can sell this may be the opportunity you're looking for. Polybush is a market leader in suspension products and over the last ten years they have seen strong growth, new product range development and ongoing investment.

The Company

Polybush is wholly owned by Bonaprene Products, a family business employing 52 people at our site on Wrexham Industrial Estate. Polybush is a team of 7 people working in a new, purpose built open plan office.

As leading design and manufacturer of aftermarket suspension components Polybush work across five market sectors including Classic & Modern Car, Land Rover, Bus and LCV. Our

customers range from O.E. manufacturers and national distributors to smaller independent retailers, garages, and the general public.

Due to the success of the brand and continued product development we are looking for a hardworking, ambitious person to join our business as a Field Sales Representative.

The Role

The primary task is to promote, sell and secure orders from existing and prospective customers through a relationship-based approach in order to increase sales in line with annual budgets.

The role will include securing sales of both existing product and preparation of quotations and proposals for new products.

With our customers spread across the UK this is a predominately field based role to ensure that face to face meetings are planned and executed on a very regular basis. When not visiting customers', time will be spent in our Wrexham office, planning and making appointments, following up on previous visits, carrying out market research to locate and qualify new prospects and completing sales analysis and reporting.
